### *July 2018*

*This summer we have been extremely busy touring new families and coordinating enrollments for new children. Our infant program has been especially popular, so if you or someone you know is interested in reserving a space, I highly recommend that you check with us soon. Children who are currently enrolled are guaranteed space even after summer is over, so don't worry about your child losing his/her space to a new family.*

*The children are having a blast at the pool and the lifeguards will be working on our annual swim demo next week. Children in the Preschool, Pre-K and Camp rooms will be practicing synchronized swimming routines which they will perform in the swim demo during the Family Picnic. Our picnic is scheduled for Friday, July 27<sup>th</sup> and all parents are welcome to attend. If this is your first year at HRLC, mark your calendar for this special event. Our theme for the picnic is Enchanted Kingdom and we will have games, art, an inflatable bouncy castle, and much more. The picnic will begin at 10:00 for the toddlers and other age groups will be joining in the fun throughout the morning. Join us for a picnic lunch, cotton candy, pony rides and all the other exciting activities. It is a great way to meet other families and I recommend that you bring a camp chair so you can relax while watching your child play. A schedule with specific times for each classroom will be coming out soon.*

*Although it may seem as though you are asked to complete a lot of paperwork to enroll your child here, we try to keep this process to a minimum. Then along comes a new regulation requiring that we have the address and phone number of your emergency contact(s), as well as those people which you designate to be able to pick up your child at any time. These are the names you have written on the back of your child's emergency card. We have distributed new, blank emergency cards for each child in their folders/cubbies. Please fill out the card COMPLETELY for each child you have here and return them no later than Friday, July 6<sup>th</sup>. Thank you very much for your help with this!*

*In closing, I would like to wish everyone a safe and fun Independence Day celebration. Remember that we are closed that day, but we will be back to normal operations on the 5<sup>th</sup>. If you are planning to take time off, please let your child's teacher and the office staff know.*

*Warm regards,*

*Teresa*
